

Jin Shin Jyutsu Self Help Classes with Adele Leas

Jin Shin Jyutsu for You and Your Animal Companions in English translated into German

in Switzerland, Aeugst am Albis / ZH, from June 25 to 29, 2025

Jin Shin Jyutsu Physio-Philosophy is an ancient Hands-on Harmonizing Art that balances body, mind and spirit through the gentle harmonizing of the vital energy in the body.

Based on the Self Help Books 1 and 2 of Mary Burmeister, these classes contain learning the placements and significances of the “Safety Energy Locks” together with their application in simple sequences and flows. Participants will daily practice the exercises first on themselves and then on the different animal species. This allows a deepening and refining of touch and perception in this Art. Also included is a introduction of different possibilities for intuitive communication with other species and the practical experiences. These classes are open for all interested, even without prior knowledge of Jin Shin Jyutsu.

Your dog can accompany you in this class. If your dog has striking behaviors, please contact the organizer in advance, thank you.

We are happy to offer the practical part of this class in Aeugst am Albis at the animal sanctuary of Ivo Zürcher, www.gnadenhof-hodel.com. The animal sanctuary is currently home to 9 horses, 3 donkeys, 20 dogs, 12 cats, 6 pigs, 4 peacocks, turkeys, geese, ducks and pigeons, who are allowed to live freely together in their own rhythm and according to their nature. Class location and **meeting point** is the room “Engel” of the Kirchgemeindehaus, Pfarrhausstrasse 4 in 8911 Rifferswil. Directions will be provided in the registration confirmation. Please contact the organizer if you have questions.
